Dear Sir,

It is with great regret that I have to inform you of the death of Sapper Sydney Martin. Being his chum, & with him at the time of his death, I thought you would like to know that he died without pain, being instantly killed & not uttering a word as he fell. He was a good soldier and a favourite with his section & was the best of chums & comrades to me. He died on the field of battle & was buried just behind in a soldier's cemetery & there is a cross with his name to mark the spot. He was always cheerful & good-natured & we all greatly miss him, & extend to you our sympathy in your great loss.

I remain
Yours faithfully
