## Predicts Victory For Republicans

Mrs. Whitney Says Way is  
Paved for Election of a  
Republican Governor

Governor Franklin D. Roosevelt, Democrat, might just as well begin packing up whatever personal effects he may have lying around the executive mansion at Albany, because he will have a new address after next January 1, Mrs. Rosalie Loew Whitney of New York City, told Republican women of Chemung County and guests from other counties of the Southern Tier at a luncheon at the Lake Street Presbyterian Church House, Elmira Tuesday noon. Mrs. George M. Diven, vice chairman of the Chemung County Republican committee, presided. More than 300 were present including many members of Corning Republican Women's Club.

All that is necessary to divorce Governor Roosevelt from his office and to supercede him with a Republican, according to Mrs. Whitney, is for the 171,000 men and women who took to voting in 1928 in the interest of Herbert Hoover, having refrained more or less from going to the polls up to that time, to again arouse themselves and drop in 171,000 ballots for the Republican nominee for governor, whoever he may be.

Mrs. Whitney brought an enthusiastic and inspiring message to the large gathering. With clever quips and keen sarcasm she unfolded such a roseate future for Republicans of New York State that those of her audience who had been worrying about party di-

## Corning Library To Close Doors Forever Thursday

Corning Public Library will close its doors at City Hall forever tomorrow when its regular closing hour, 8:30 in the evening, arrives. Patrons who wish to take books within the next few days should get them before that time as the library will not be opened again for the circulation of books until Monday, June 2.

When it does open its doors for business on that date, the entire equipment and books will have

been moved to its new location in the World War Memorial Library Building at First and Pine streets. This building will be open for public inspection on Memorial Day but no books will be loaned or received during that time.

Miss Mary L. McCabe, librarian, stated today that no fines will be imposed in cases where books are due between May 22 and June 2 providing the books are returned on the latter date.

## Request Autopsy On Parker Body

Officials Think Man Slain Be-  
cause He Knew of Los  
Angeles Murders

LOS ANGELES, May 21.—(AP)—A request that an autopsy be performed on the body of Robert O. Parker, 36, who was found hanging from the rafters of a shack near Coaling, Cal., April 21, in an effort to determine whether he was poisoned, has been telegraphed to the Buffalo, authorities.

Officials here described Parker's death as a "plain case of suicide" and the body was sent to Mrs. F. A. Williams, Buffalo. Detectives working on tips later said they had evidence that led them to believe Parker was slain because he "knew too much" about two mur-

## Comosh Lauded For His Trick

Local Man, Former Circus Star,  
Commended For Triple  
Somersault

John Comosh, prominent citizen of Corning and well known business man, was accorded an unusual tribute by Earl Chapin May, writing a feature "Dare-devils of the White Tops" in the Sunday edition of the New York Tribune this week.

Mr. May tells an interesting story of circus performers he has known who risked their lives to satisfy the whims of a crowd. Of Mr. Comosh he says: "The only man within my memory who accomplished a 'triple from the board' and lived to tell the tale was Johnny Worland (Mr. Comosh). While the Barnum Circus

## Kosty Denies He Stabbed Bronson

Pleads Not Guilty and Gives  
\$200 Bail; Adjournment  
Until May 26

Charles Kosty, 24, of this city, today pleaded not guilty to a charge of assault in the third degree for an attempt to stab his father-in-law at the latter's home Tuesday evening. He appeared before City Judge Holland B. Williams answering to the charge and posted bail of \$200 when his trial was adjourned until Monday May 26, at 10 a. m.

Morning newspaper reports stated that Kosty was intoxicated and made the attack upon Clarence P. Bronson, his father-in-law, while under the influence of liquor. This was, however, denied by police this morning who stated that Mr. Bronson reported to them that Kosty was not drunk at the time of the attack.

Information upon which the warrant for his arrest was issued was supplied by Mr. Bronson who calimed that Kosty entered his home with a large butcher knife with which he attempted to attack him. Bronson reports that he was able to disarm his son-in-law and drive him from the house.

The matter was reported to Officer David Crandall and Officer Fred Denson was dispatched to the scene. Peace reigned when he arrived but Bronson appeared at headquarters and supplied information for a warrant which was used to arrest the man by Officer Howard Rose this morning.

## Knapp Speaks on Changes in Law

Discusses New Inheritance Sta-  
tute Which Becomes Effec-  
tive in September

Changes which will be effective in the inheritance law in the descent and distribution of real and personal property under provisions of a new statute effective in New York state after September 1, were explained to members of Corning Lions Club at the weekly luncheon at the Baron Steuben by Attorney Wilbur F. Knapp of Bath. Attorney Knapp proved himself a forceful and interesting speaker and at the conclusion of his talk held a five minute forum to answer questions on the subject.

Attorney Knapp traced the original law of descent and distribution for the past 100 years during which time but few minor changes have been made. He compared the present law with the new statute and gave specific illustrations to show how the new law will operate. This talk was given recently by Attorney Knapp at a meeting of the Hammondsport Rotary Club and was published in The Evening Leader.

Paul Carpenter was introduced as a new member of Lions Club by Herbert F. Beyea, his classification being that of undertaker. Vice-president George Keenan presided and announced the budget committee for the year as follows: Charles H. R. Young, Otto Hilbert and John Rome. Guests present were: Dr. E. L. Lewis, guest of Frank S. Comable; C. D. Smith, of Rochester.
