

NEW CITIZENS DINNER GUESTS

Members of Citizenship Class
Entertained by Corning
Rotary Club

The members of the citizenship class recently started by the Chamber of Commerce together with members of the committee who have been active in naturalization work in Corning, were the guests of Corning Rotary at a dinner and meeting on Thursday night which proved to be a most enjoyable affair. There were about 50 members of the class, all of whom have taken out their first naturalization papers who were present together with about 10 Corning citizens who have been most active in this work.

The program following the supper was along educational lines and consisted of lantern slides depicting the history of America, showing the landing of Columbus, the growth of the country following the arrival of the early settlers, the hardships endured by the early pioneers, the first Thanksgiving, scenes of the Revolutionary War and pictures of Washington and Lincoln. The program ended with views of the city of Washington at the present time. President Guy W. Cheney who presided at the meeting gave a most instructive and descriptive talk as

PASTOR HOME FROM MEETING

Rev. Edwardsen Gave Address
at Convention of Ep-
worth League

The Rev. Erling Edwardsen, pastor of the Norwegian Church, has returned from attending the Twenty-First Norwegian-American Epworth League District Convention of the Eastern States, which was held at the Bethelship Church, Brooklyn.

The Rev. Edwardsen was the principle speaker at the big meeting at which nearly 1000 people attended.

According to the Rev. Edwardsen, the address of Prof. Karlson, of Norway, was forceful and instructive. He spoke on the conditions in Norway, political, religious and social, pleaded for all Norwegians in this country to become American citizens and all of them to be loyal to America. One thing he pointed out was the labor conditions in Norway.

The young people of that country he said, after they receive good education can find no work to use it, so it becomes necessary for them to leave the country. Most of them come to the United States, where, according to Prof. Karlson, most of them become prosperous.

The convention also decided
